Subject:- Observance of Vigilance Awareness Week, 2017.

Central Vigilance Commission, as the apex integrity institution of the country, endeavours to promote integrity, transparency and accountability in public life. Observance of Vigilance Awareness Week every year is part of a multi-pronged approach of the Commission wherein one of the strategies is to encourage all stakeholders to collectively participate in the prevention of and the fight against corruption and to raise public awareness regarding the existence, causes and gravity of and the threat posed by corruption. The Commission has decided that this year the Vigilance Awareness Week would be observed from 30th October to 4th November, 2017 with the theme "My Vision-Corruption Free India" ("मेरा लक्ष्य - भ्रष्टाचार मुक्त भारत").

2. Corruption can be defined as a dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefits to one self or to some other person. It is a global phenomenon, affecting all strata of society in some way or the other. Corruption undermines political development, democracy, economic development, the environment, people's health and much more. It is, therefore, imperative that the public must be sensitised and motivated in the Commission's anti-corruption efforts.

3. E-governance combined with systemic changes in procedures, minimal discretion, reduced public interface, technology based procurements and automation will go a long way in tackling corruption. The Commission has, therefore, been advising all organizations/departments to have in place effective preventive measures to fight corruption and also to enhance transparency and accountability in their functioning. All organizations should strive to eradicate corruption in their respective sphere of activities. The Commission has accordingly chosen "My Vision-Corruption Free India" as the central theme for Vigilance Awareness Week, 2017.
