TRANSFER GUIDELINES FOR GROUP B GAZETTED (SUPERINTENDENTS) AND NON GAZETTED (INSPECTORS) OFFICERS OF KARNATAKA

In the light of transfer guidelines issued by Directorate of HRD, New Delhi vide letter F.No.8/B/42/HRD(HRM)/2011 dated 07.07.2011 and consequent to reorganization of field formations in 2017 due to implementation of GST and reorganization of the jurisdiction of Bengaluru Customs zone, the existing Guidelines for Transfer /Placement for Group B Gazetted and Non-Gazetted Executive Officers posted in Central Taxes, Central Excise Commissionerates & Customs located in Karnataka require reconsideration. This transfer and posting Policy for Group B Gazetted and Non-Gazetted Executive officers of Karnataka would supersede all previous guidelines issued in this regard.

2. AIM OF THE POLICY:

The aim of this transfer and posting policy for Group 'B' Executive Gazetted and Non-Gazetted officers is to provide standard norms, transparency, objectivity and increased perception of fair-play and clarity in annual general transfers. The broader objective is to enhance efficiency of administration, tax payer service and to encourage the sense of public duty and commitment to public service amongst the officers.

3. PERIODICITY OF OUTSTATION TRANSFER:

3.1 In order to make available the benefit of being posted/continue to be posted in a particular station evenly to all, some officers have to be transferred out from that station to another in order to accommodate the request of other officers. Such a transfer / rotation may also be based on administrative requirements. The Executive Officers both Gazetted and Non-Gazetted on completion of 4 years tenure in a particular station are liable to be transferred out of that station based on the respective station seniority. The station seniority for all the officers in all formations at Bengaluru Station shall be compiled and circulated by the Cadre Controlling Authority. The station seniority for all stations other than for Bangalore Station will be drawn and circulated during AGT by the jurisdictional Principal Commissioner/Commissioner as detailed at Para 17 of the guidelines.

I/286850/2021

3.2 On promotion, the promoted officers are liable to be posted to places wherever vacancies exist, irrespective of the station tenure of the promoted officer in a particular station. However, the station seniority of such newly promoted officers shall form the basis for such transfers.

3.3 (i) The general tenure of an officer in a Commissionerate/station is 4 years in terms of Board's letter F.No. A-35017/28/92-AD-III-B dated 30.06.94. Officers posted on initial appointment are liable to be transferred out of the Commissionerate/same station after a period of 4 years. The out station tenure of the officers who are transferred during AGT is fixed as 2 (two) years and the officers may be transferred back on their request after completing such tenure. Ordinarily transfer before completion of tenure from a station/ Commissionerate shall be considered on merit and on request of the officer.

(ii) However, as a special measure with a welfare intent, the lady officers would be given an option to come back after completion of one year at their own cost.

(iii) The outstation tenure of 1 or 2 year(s) as the case may be, should be completed by the concerned officer without availing any leave in excess of the leave earned/accrued during such outstation tenure. Non compliance on this count will lead to continuance of the outstation posting beyond the normally stipulated period.

4. THE STATION TENURE COMPUTATION :

(i) The cut-off date for computing the station tenure would be as on 1st May of each year.

(ii) For Superintendents the station tenure will be calculated by computing their continuous stay in the station in the combined executive cadre (Inspector and Superintendent put together).

(iii) For Inspectors, station tenure would be their period of stay in a station in the grade of Inspectors.

(iv) The transfer of officers to outstations would primarily be from the officers who are promoted during the Year (from AGT to AGT), and thereafter from the officers as per the station seniority list of the respective stations.

(v) Officers who have been transferred from one station to another and have completed their outside tenure or the extended tenure, as the case may be, would be transferred to their station of choice based on their request.

(vi) Officers desiring transfer from one station or Commissionerate to another station or Commissionerate shall also submit their options/request in the transfer proforma, through proper channel.

(vii) Transfer and posting of officers to the various Commissionerates of Central Excise & Central Taxes shall be done by the Cadre Controlling authority. Orders of transfer and postings within a Commissionerate shall be issued by the respective

I/286850/2021

Principal Commissioner/ Commissioner. In any such exercise, deviation if any, from the policy shall be done with the approval of the Cadre Controlling Authority.

(viii) Orders of transfer and postings of officers in respect of the formations located outside of the Headquarters of Audit Commissionerates (Audit circles located at outstations) and formations of Bengaluru Northwest located outside Bengaluru (Tumkur, Chitradurga, Davanagere, Ranebennur and Haveri stations) shall be issued by the respective Principal Commissioner/Commissioner based on the "due for outstation" indicated by the Cadre controlling authority.

(ix) Further, the Cadre controlling authority will transfer and post officers to the Customs Zone based on the seniority and options received from officers. The Chief Commissioner of Customs, Bengaluru shall issue further postings within the Customs Zone. However, the transfer and postings with regard to the Customs formations outside of Bengaluru station, shall be issued by the Chief Commissioner Customs, based on the "due for outstation" indicated by the Cadre Controlling authority based on the Station seniority/options received.

5. REQUEST FOR TRANSFER /RETENTION:

Request for retention from officers liable to be transferred from their present station shall be considered on the following grounds if found administratively feasible.

(i) MEDICAL GROUNDS: Representation on serious medical grounds will be considered ordinarily only for the officer/spouse and dependent children. Medical Certificates would be required for substantiation. Comparative evaluation of the medical grounds would be made, if necessary, to identify more deserving cases where it is not possible to accommodate all such requests. Mis-representations will be viewed adversely and seriously. A copy of the representation for retention on medical ground shall be kept in the Service Book of the officer for record wherever retention is allowed on medical grounds.

(ii) HUSBAND & WIFE AT ONE STATION : DOP&T guidelines stipulating that husband and wife should be facilitated, as far as possible, to stay together will be followed. In this regard an option will be given also to the spouse (if working in the same department) to move out.

(iii) SPORTS PERSONS: Only active sports persons would be allowed retention on the ground of sports. In this regard, the recommendation of the Sports Officer based on the recent and current participation by the officer concerned would be obtained, which may be considered by the Cadre Controlling Authority, depending upon the administrative feasibility. Such Officers who are retained would not be considered for deputation outside Bengaluru to International Airports, SEZs, DRI, DGCEI, NCB etc. during the said period as the same would adversely affect their practice/participation in various tournaments.

(iv) ADMINISTRATIVE EXIGENCIES: Recommendations on the retention of officers on administrative grounds beyond the stipulated period from the concerned

I/286850/2021

Principal Commissioner / Commissioner will be considered and disposed off by the Cadre Controlling Authority based on merits.

(v) The Officers who are retained on any of the above grounds except on the grounds mentioned at para 5 (iii) during previous AGT/current AGT, shall not be eligible for postings to SEZ/Directorates/Bangalore Customs/Airport etc.

6. POSTING OF OFFICERS TO BENGALURU CUSTOMS :

(i) Officers who are due for posting more or less simultaneously outside Bengaluru and to Bengaluru Customs, in normal course will be given preference for posting to Bengaluru Customs. Those officers who are overdue for outstation posting as per para 3 of the Transfer Policy, but were retained on request of the officer, would be posted first outside Bengaluru and thereafter upon completing the prescribed tenure would be considered for posting to Bengaluru Customs.

(ii) When an officer serving outstation tenure is transferred back to Bengaluru prematurely, the said officer will become eligible for being considered for posting to Bengaluru Customs upon expiry of the prescribed tenure.

(iii) Officers shall be posted to Bengaluru Customs based on their options, clearance from vigilance and their cadre seniority. The tenure of postings to Bengaluru Customs will be for a period of 4 years.

(iv) The Chief Commissioner of Customs shall post Officers (Superintendents/Inspectors) to the International Airport, from amongst the Officers who are posted to Bengaluru Customs to complement the total requirement of Officers at the International Airport. The tenure at the Airport in such case shall not ordinarily be for more than One year.

(v) The normal tenure of postings to formations of Customs other than at Bengaluru and Mangaluru Stations (referred at para 4 (xi) above) will be for a period of 2 years.

(vi) An officer (Superintendent/Inspector) who is posted to Bengaluru Customs, and has not completed a tenure of 4 years in the grade of Superintendent or a period of 2 years in the grade of Inspector, would in normal course not be transferred out from Bengaluru Customs, even if he/she is otherwise due for transfer to an outstation as per the station seniority. However, as soon as he/she completes that tenure, they become liable for being transferred out as per station seniority.

(vii) In the event of insufficient number of options being received, for postings to Customs, the Cadre Controlling Authority shall post officers who have earlier not worked in Bengaluru Customs in the cadre as per the seniority in Central Tax, Bengaluru station.

(viii) Officers working in Customs/Airport would be liable for transfer out of Customs/Airport on promotion to the next grade. Such officers are eligible for posting to Bengaluru Customs/Mangaluru Customs/Bengaluru Airport in the promoted grade only after completion of mandatory cooling off period of 2 years.

I/286850/2021

(ix) The request for withdrawal of options offered for posting to Customs shall not be considered after issue of posting orders. However, in exceptional circumstances, if the requests are considered, such officers will not be considered for posting to Customs for a period of 02 years.

(x) Any officer pre-maturely opting out of customs would be considered by the Cadre Controlling Authority after considering the recommendations of the Chief Commissioner of Customs.

(xi) Officers who had been previously posted to Bengaluru Customs in a cadre for a full/part tenure, will not be considered for second tenure at Bengaluru Customs in that cadre, until his/her juniors (as on the date of return from Customs) are considered for their first tenure.

7. POSTING TO BENGALURU INTERNATIONAL AIRPORT:

(i) To deal with the shift based work and highly specialised skills required, a separate Airport pool is made for postings to Bengaluru International Airport. The number of Officers (Superintendents/Inspectors) to be posted to the International Airport under this policy will be upto 50% of the Sanctioned/Required strength at the International Airport.

(ii) The tenure at Airport is to be treated as separate and the selection would be by options cum seniority and positive integrity with vigilance clearance. The eligibility or otherwise of an officer for postings at Airport/Sensitive Charges, in relation to 'positive integrity' will be determined based on the officers' past performance in such sensitive places of postings. The tenure in Airport shall be for a period of TWO YEARS. On completion of such tenure at Airport, Bengaluru, the officers shall be reverted to Cadre Controlling Authority. Such officers have to complete two years cooling off period in Central Excise/Central Tax for being considered for postings to Bengaluru Customs.

(iii) In case of shortage of options or administrative reasons, the Chief Commissioner of Customs, Bengaluru may also consider posting of additional officers to Bengaluru International Airport if need be, from the pool of officers posted to Bengaluru Customs.

(iv) Officers who have completed their Customs tenure of 4 years are not eligible to be considered for posting to Airport, prior to completion of the cooling off period.

(v) Officers who had been previously posted to Bengaluru Airport in a cadre for a full/part tenure, will not be considered for second tenure at Bengaluru Airport in that cadre, until his/her juniors (as on the date of return from Airport) are considered for their first tenure

(v) The officers who are due for outstation transfer will be considered only to circles outside their current station. In such cases the request of officers for circles in a particular station shall be considered based on administrative feasibility.

(vi) Any officer who is posted to an Audit Circle of outstation on account of completion of station tenure in a particular station, shall be permitted to revert back to the choice of place of station on completion of two years in that station/audit circle, as per the policy.

9. TENURE IN A COMMISSIONERATE/COOLING OFF PERIOD:
